NOW AVAILABLE

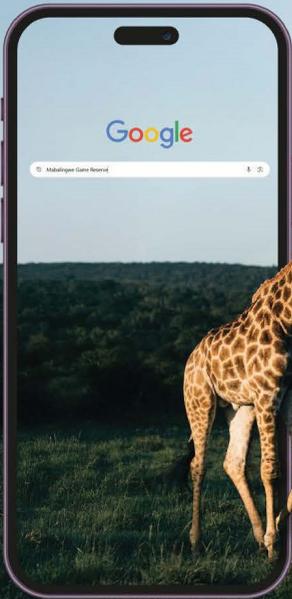

MABALINGWE GOES

ELECTRIC !!!

We're thrilled to announce that Mabalingwe Caravan Park is an official Chargify electric vehicle (EV) charging destination — making us part of South Africa's growing sustainable travel network!

Through a national initiative led by Chargify in partnership with Mercedes-Benz South Africa, a network of 127 charging stations is being installed across the country in key destinations — and Mabalingwe is proudly one of them. This collaboration aims to support the rapid growth of electric vehicles in South Africa and to reduce "range anxiety" by providing drivers with more reliable and accessible charging points.

Our new Chargify Station will be operational from December, giving guests and visitors the convenience of charging their electric vehicles right here in the Caravan Park. It's a huge step toward a greener, more sustainable future — and we're honoured to be part of it.

STAY UP TO DATE

Stay connected with all things Mabalingwe through our monthly newsletter!

Be the first to know about exclusive deals, upcoming events, and exciting activities.
