MABALINGWE GOES

# ELECTRIC !!!

We're thrilled to announce that Mabalingwe Caravan Park is an official Chargify electric vehicle (EV) charging destination — making us part of South Africa's growing sustainable travel network!

Through a national initiative led by Chargify in partnership with Mercedes-Benz South Africa, a network of 127 charging stations is being installed across the country in key destinations — and Mabalingwe is proudly one of them. This collaboration aims to support the rapid growth of electric vehicles in South Africa and to reduce "range anxiety" by providing drivers with more reliable and accessible charging points.

Our new Chargify Station will be operational from December, giving guests and visitors the convenience of charging their electric vehicles right here in the Caravan Park. It's a huge step toward a greener, more sustainable future — and we're honoured to be part of it.

# About Our **SANCTUARY**

Experience the Heart of Boschpoort Predators - At Boschpoort Predators, every animal has a story. Nestled in the beautiful bushveld, our sanctuary is a place where some of South Africa's most iconic creatures find refuge and a fresh start. More than just a visit, this is a chance to walk alongside animals who have overcome challenges, adapted, and thrived under dedicated care. Boschpoort Predators isn't just a sanctuary - it's a place where each animal matters and every visitor leaves with a deeper understanding of their role in conservation. Your visit supports their daily care, habitat improvements, and the continued efforts to rescue, rehabilitate, and release where possible.

This holiday season, come meet our incredible residents and hear their stories. Take a journey through the sanctuary, connect with the bushveld, and learn why these animals are not only awe-inspiring but essential to our world.
