About Our
SANCTUARY

Experience the Heart of Boschpoort Predators - At Boschpoort Predators, every animal has a story. Nestled in the beautiful bushveld, our sanctuary is a place where some of South Africa's most iconic creatures find refuge and a fresh start. More than just a visit, this is a chance to walk alongside animals who have overcome challenges, adapted, and thrived under dedicated care. Boschpoort Predators isn't just a sanctuary - it's a place where each animal matters and every visitor leaves with a deeper understanding of their role in conservation. Your visit supports their daily care, habitat improvements, and the continued efforts to rescue, rehabilitate, and release where possible.

This holiday season, come meet our incredible residents and hear their stories. Take a journey through the sanctuary, connect with the bushveld, and learn why these animals are not only awe-inspiring but essential to our world.
